Dear Sir,

RE: APPLICATION FOR APPROVAL OF CASAR MINE ROPES.

Reference is given to your application dated 13th April, 2014 regarding the approval of your Casar Mine Winder Rope Type. The rope is a six stranded triangular construction with a polypropylene core.

This type of Wire Rope, distributed by Wire Co – World group meets the requirements of our Mining Regulations Statutory Instruments No. 107 of 1971 and No. 95 of 1973. The ropes therefore, maybe used in the Zambian Mining Industry subject to the provisions of the Mining Regulations.

Find enclosed, the Certificate of Approval.

Yours faithfully,

.....
Brighton Kateka
